Washington, D.C. 20515

Dear Mark:

Enclosed is the latest draft of the Freedom of Information Act bill, which was drafted to meet your concerns. However, we still have a myriad of problems with this version of the bill, and therefore our transmittal of this draft should not be interpreted as acceptance of the provisions contained therein. Hopefully, we will be able to work out these problems in further discussions with you.

We look forward to hearing you comments on this version of the bill.

Sincerely,

STAT

Office of Legislative Liaison

Enclosure
